# Remote Live In-Service & Recorded Webinars Schedule

*All courses are one hour in length.* ***Please visit the website for course descriptions and CEU information.***

**Please Note:** The live webinars are approved for continuing education credit for speech-language pathologists and nurses only. ***Respiratory therapists may still view live webinars for general CE credit.***

Due to the substantial increase — over 100% — in the fees charged by AARC to register live continuing education courses, we no longer provide live webinars for AARC CRCE credit. However, we are continuing to offer **recorded (non-traditional)** webinars that are fully registered for **AARC CRCEs**. Respiratory therapists wanting CRCEs are invited to watch our scheduled recorded programs, visit our on-demand library, or schedule a private webinar for current AARC-registered offerings.
